Title

Psalm 68^c

For the director of music. Of David.

A psalm. A song.

¹ May God arise, may his enemies be scattered;

may his foes flee^b before him.

² May you blow them away like smoke — ^c

as wax melts^d before the fire,

may the wicked perish before God.

³ But may the righteous be glad

and rejoice^e before God;

may they be happy and

joyful.

⁴ Sing to God, sing in praise of his name,^f

extol him who rides on the clouds^{dg};

rejoice before him — his name is the LORD.^h

Song

Reason 5: The Psalms show us how to praise God when life is painful.

Reason 6: The Psalms show us how to praise God when He delivers us.

Common Thread: We should praise God in every situation because He rules over the universe with goodness and greatness.
